

Katrina is a recent graduate of Medford Vocational Technical High School where she studied Health.

Katrina was ranked 5th in her class. She is a very independent young woman and is always confident in what she does. She is always willing to learn and wants to make people happy.

She has a Certified Nursing Assistant license.

She has volunteered at Mass Eye and Ear and Mystic Valley Regional Charter school.

Her goal is to become a pediatric nurse.

She will be attending Bunker Hill Community College in the fall.
