

Salina Musyaju Graduate of Somerville High School

GPA 3.99

Class rank 38 out of 304. This class rank shows a focused determination in her studies, which extended to taking college level course in Accounting.

Inducted into National Honor Society 2018

1 of 5 in her family, she will be off to college in September. Salina plans to attend Bucknell University and major in Accounting with the plan to be a CPA some years from now.

This multifaceted, dynamic young person placed a large amount of energy beyond her studies to impact her community in a positive way. Salina was part of Teen Empowerment and the Welcome Project for 3yrs.; acted as a community interpreter with the Liaison Interpreter Program for 3 yrs.; Worked at City Hall as an intern and the Vincent Club as accountant's intern, helped edit a Multi-cultural cookbook and volunteered in the summers at the East Somerville School working with children and teachers.

These activities earned Salina recognition and honors for all her efforts. We, the SMEA Membership, are among them. We send our hope and best wishes, along with those of your family as you look ahead to your college years.
